

STEMAcad!

Technology is where it is at!
It is a *life* game changer. Get in ON IT!
Urban Ed is recruiting technology
candidates that are interested in building
their skills, getting certified and going to
WORK.

ARE YOU READY?

- Get IT certified
- Get placed with the federal gov't, a gov't contractor, or major IT firm
- Earn, out the blocks, \$15-\$20 per hour

Make 2020 YOUR Year!

Enrollment is now open. Apply online at
www.urbaned.org or call 202-610-2344. Classes
held at the Big Chair in the Anacostia Pro Bldg
and Online.

Urban Ed's STEM Acad Program Eligibility

Urban Ed considers **every application** for enrollment. However, **preference** is given to the following:

- DC Residents
- Candidates between the ages of 18-30 (all ages 18+ accepted)
- Unemployed and underemployed residents
- US Citizens
- Those having a GED/HS Diploma
- Desire to be an IT professional
- Able to work at the end of the program (approx. 16 weeks from start date)

In addition to the application for enrollment, candidates will be required to complete an essay. This requirement serves multiple purposes to include fitness for our career pathways programs and in some cases to subsidize the majority of the cost of tuition and fees. Visit our website to review the Essay Guidelines.

If you are planning to attend one of the Info Sessions or are called in for an interview we highly recommend that you bring your eligibility documentation with you which includes:

- Proof of residency
- Proof of income (TANF letters, paystubs, etc.)
- Proof of citizenship (photo ID, Driver's License)
- High School Diploma/GED scores, or college transcripts if applicable
- Birth certificate

Come prepared to do assessment testing the day of the Info Session and/or Interview. The complete info session/interview will take approximately 1 ½ hours.

We only have space for 20 applicants for our classroom courses and 60 applicants for our online courses for each training cycle. Increase your chances by completing the interview process and coming prepared to secure your slot! *All applicants whether online or classroom are required to do the enrollment interview.*
